

7. The manufacturer shall provide and set apart, for the storage of the salt purchased for use in the factory, a store which shall be to the satisfaction of the Assistant Collector, securely constructed and fitted with a strong door capable of being locked. Salt manufactured in the Presidency and salt imported shall be stored separately in the store room, as also shall salt on which duty has been paid or is under rule 4 deemed to have been paid at different rates.

8. (1) The Store room shall not be opened except between the hours of sunrise and sunset, and only for one of the following purposes namely:—

- (a) for the receipt of salt into stores,
- (b) for the preparation by grinding or for the issue of salt required for purpose connected with manufacture.
- (c) to allow the stock of salt to be checked by weighment or otherwise by officers of the Salt Department.

(2) The store room shall not be opened except by or in the presence of the Manager of the Factory or the Store-keeper of the Factory. The latter shall retain the key of the store room in his own possession.

9. All spent-lye or useless refuse containing salt shall be effectually destroyed on or near the premises in such manner as the Collector of Salt Revenue, Bombay, may direct.

10. The Factory or Works may be entered and examined at any time by any officer of the Bombay Salt Department not below the rank of an Inspector or (Sarkarkarkun) authorised by the Assistant Collector, and due facilities for examining the manufacturer's salt register as well as for checking the stock of salt received, expended and in hand, shall be afforded by the Manager and all servants of the manufacturer. Salt shall be stored in the bags in which it is received from the Salt Works or Depot and the bags shall be arranged in tiers so as to facilitate checking and weighment.

11. The Register referred to in rule 10 shall be written up daily and signed by the Manager or Store-keeper and shall be in the form hereto annexed. Separate register shall be maintained for salt manufactured in the Bombay Presidency and for imported salt.

12. The Manager of the Factory shall furnish the Assistant Collector through the officer of the Salt Department appointed by him for the purpose with a monthly statement to be posted by the 1st of each following month, showing the opening balance of salt at the beginning of the month, the quantity purchased during the month, the quantity expended during the month, the balance at the close of the month and the weight or quantity or other particulars required by the Assistant Collector of the production during the month of the articles for which the salt was used. The Manufacturer's Book showing the weight or quantity of the article dealt with and of the product manufactured shall be open at any time to the inspection of any officer of the Salt Department not below the rank of an Inspector or (Sarkarkarkun).
